SUBJECT: Estimated Production of Specified Industries
in the Sino-Soviet Bloc, 1958 Revision

25X1A9a 1. This memorandum confirms the transmittal of the revised 1958 estimates of production of specified industries in the Sino-Soviet Bloc by [REDACTED] CIA Coordinator for this project, to Mr. W. Paul Lamb of your office on 1 and 17 September 1959. Attachment A lists the specific categories covered in these estimates.

2. We anticipate continued close contact with representatives of your office in discussing the nature and scope of future estimates and insuring that the material is presented in a format in which it can best be utilized.
